

HOW TO USE UPM RADIO

A step-by-step guide to setting up your station, uploading audio, creating playlists, adding live DJs, publishing podcasts and monitoring listeners.

The screenshot displays the UPM Radio dashboard for a station named "UMYO TYME Station - 'It's Always UMYO Time.'". The interface is dark-themed and includes a top navigation bar with links to Dashboard, Overview, Media, Playlists, Listeners, Settings, Broadcast, Podcasts, and Pricing. The user profile "Barnard Gregory" is visible in the top right.

Key dashboard metrics include:

- LIVE LISTENERS:** 1
- TOTAL LISTENERS:** 1
- BITRATE:** 192 kbps
- STORAGE LIMIT:** 5 GB
- STORAGE USED:** 40.28 MB (0.8% used)

The "NOW PLAYING" section features the track "They Reminise Over You" by Pete Rock & CL Smooth, with a progress bar at 0:00. The "PLAYING NEXT" section shows "Shook Ones Pt. II (1995)" by Mobb Deep.

The "SCHEDULED" section lists upcoming broadcasts:

PLAYLIST	STREAMER	TIME	STATUS

STEP 3: Add Your Station Logo

Go to **Settings** → **Branding**. Upload a square PNG or JPG logo. A 500 × 500 image is recommended.

The screenshot displays the UPM Radio dashboard with the 'Settings' menu selected. The 'Branding' sub-tab is active, showing the 'STATION BRANDING' section. On the left, the current station logo is displayed, featuring a microphone and the text 'UMYO TIME RADIO BY SHOW'. To the right, there is an 'UPLOAD NEW LOGO' section with a 'Choose File' button and a 'No file chosen' status. Below this, a note specifies 'PNG/JPG - Square image (500x500) recommended'. A yellow tip box states: 'The logo will appear on the station's public page and Now Playing screen'. A 'Save Settings' button is located at the bottom right of the settings panel.

STEP 5: Set Up AutoDJ

Go to **Settings** → **AutoDJ**. Review your bitrate, audio format, crossfade method and crossfade duration. AutoDJ keeps your station playing when a live DJ is not connected.

The screenshot displays the UPM Radio Admin Panel. The top navigation bar includes the UPM Radio logo and links to Dashboard, Overview, Media, Playlists, Listeners, Settings (highlighted), Broadcast, Podcasts, Pricing, and a user profile for Barnard Gregory. The main content area is titled 'Station Settings' and features a sub-menu with Profile, Broadcasting, AutoDJ (selected), Streamers/DJs, and Branding. The 'AUTODJ SETTINGS' section contains four input fields: AUTODJ BITRATE (128 kbps), AUTODJ FORMAT (MP3), CROSSFADE METHOD (Smart Mode), and CROSSFADE DURATION (SECONDS) (2). A 'Save Settings' button is located at the bottom right of this section. Below the settings, a promotional banner for UPM Radio features a waveform background, the station's logo, a descriptive paragraph, social media icons for Facebook, Twitter, Instagram, Pinterest, YouTube, and LinkedIn, and a 'Back to Top' arrow. The footer contains copyright information, a privacy policy link, terms of service link, about page link, and a link to become a DJ activist.
